

上下齊心 推動無煙生活

A top-down commitment to a smoke-free lifestyle

土地註冊處積極推廣無煙文化，為員工舉辦無煙健康生活講座，並透過不同渠道向所有員工宣傳有關吸煙禍害及戒煙資訊（包括電郵、部門內聯網、員工通訊、海報及小冊子）。此外，亦為需要戒煙的員工提供轉介服務。

The Land Registry proactively promotes the smoke-free culture. It has organized smoke-free talk for staff and promulgated relevant information on smoking hazards and cessation to all staff through different channels (including e-mails, departmental intranet, staff magazine, posters and pamphlets). It also provided referral services for staff in need of smoking cessation.
