

推動無煙文化 實踐健康生活

Promote smoke-free culture
Adopt healthy lifestyle

漢興企業有限公司為南豐集團全資附屬物業管理公司，而旗下的南豐中心依循集團制定的無煙政策，為員工及客戶建立健康的工作環境。本公司除在當眼處張貼禁煙標誌和告示外，亦會定期培訓員工，讓他們了解在禁煙方面的職權和責任。此外，我們又積極推動僱員戒煙、提供煙害資訊，並舉辦各類健康活動，包括生態遊、行山樂及義工活動等，希望透過營造無煙文化減低員工的吸煙率。

Nan Fung Centre, which is currently under the management of Hon Hing Enterprises Limited, a wholly-owned subsidiary of Nan Fung Group, follows the smoke-free policies set out by the group in a bid to provide its staff and tenants a healthy working environment. In addition to putting up no-smoking signs and notices, we enroll our staff in regular training in smoke-free workplace policy enforcement. We also encourage our staff to quit smoking by providing information on the hazards of cigarette smoking, and organising a variety of staff activities including eco tours, hiking and volunteer services. We hope to foster a smoke-free culture and lower the smoking prevalence among staff.
